SOURCECORP® Hosts Grand Re-Opening Ceremony for New Facility in Mt. Vernon, Kentucky

DALLAS, Texas (October 19, 2009) – SOURCECORP, Incorporated (SOURCECORP), a leading provider of business process outsourcing solutions and specialized high value consulting services, will host an open house, re-opening event on Wednesday, October 21, at its new 25,000 square foot facility located in the recently expanded Rockcastle Business Park South off HWY 2549 at 618 Progress Drive in Mt Vernon, KY.

The event, sponsored by SOURCECORP's Business Process Solutions (BPS) Division, will begin with a ribbon cutting ceremony at 3:00 p.m., followed by comments from local and state dignitaries and facility tours. A public open house will be held the same day from 6:00 – 7:00 p.m. with the ability to tour the facility and speak with SOURCECORP management and staff.

"SOURCECORP has conducted business in Rockcastle County for over 15 years due to the support of Rockcastle County government leaders and access to high quality employees," stated Kerry Walbridge, President of SOURCECORP's BPS Division. "This facility will advance SOURCECORP's operational capabilities and extend its longstanding relationship with the County."

"We are very proud of this facility and proud that SOURCECORP chose to remain in Rockcastle County," commented County Judge Executive Buzz Carloftis. "The magistrates and I are very interested in helping to strengthen the economy in our county and we realize projects like this will help our people for many years to come."

SOURCECORP, Incorporated provides business process outsourcing solutions and specialized high value consulting services to clients throughout the United States. SOURCECORP focuses on business processes in information-intensive industries including healthcare, legal, commercial, financial services, government, and transportation & logistics. Headquartered in Dallas, SOURCECORP serves clients throughout the United States through a network of locations in the U.S., Mexico, Philippines and India.
